## Wailuku Bowlers Still Keep In Lead

Puunene Will Have to Hurry. Dropped Two More Games at Gym. Monday Night.

The Wailuku pin smashers again turned the trick on their Puunene opponents in the match at the Gym. last Monday night, by taking two out of the three games rolled. This puts them three games to the good, and will make the sugar men do some tall hustling if they are to get off with the long end of the series. They still have a chance, but it will not be easy to overhaul the town boys.

Some good individual scores were made in the Monday games, McLaren of being the high score and high average man.

## Diabolical Crime Of Four Filipinos

Murder Japanese Farmer, Crush Skull of Wife, Wound Three Sons and Set Fire to House—All Captured and Two Confess.

One of the most shocking crimes in the recent history of Kauai took place in Kalihiwai valley Wednesday evening of last week, as a result of which Wada, a well-known and prosperous Japanese farmer is dead, his wife is at death's door in the hospital, three boys are wounded and four Filipinos are in jail, two of whom have confessed to their respective parts in the affair.

The Filipinos, whose names are: Juan Connel, Panaiano Colasto, Feliciano Hirona, and Florentino Alicio, entered the house of the Japanese, Wednesday evening of last week, shot down in cold blood the father, who was lying upon a couch. They then demanded money and not satisfied with a small sum given them, shot the eldest boy through the neck, and another boy through the side. They then crushed the skull of the mother of the family with an iron bar. The youngest boy was knocked unconscious and the house set on fire.

The eldest boy, who was wounded and feigning death, succeeded in carrying all of the members of the family outside of the house which quickly burned to the ground. The police located the Filipinos a few hours later, and they were identified by the surviving victims.

## Promotionists Drop Wood As Secretary

Move Not Unanimous—A. P. Taylor Nominated for Job—Rumor That Wood May Insist on Terms of His Contract.

H. P. Wood, for the past ten years secretary of the Hawaii Promotion Committee, was voted out of his position, at a meeting held last Tuesday in Honolulu. The motion was made by L. A. Thurston and was supported by Thurston, Ben Hollinger, and H. Gooding Field. Chairman E. A. Berndt and Ed Towse, of the committee, voted against the motion. Mr. Thurston then moved that A. P. Taylor, the present acting secretary, be elected secretary at a salary of \$250 per month. This matter was however deferred until July in order that the four additional members to be appointed from the several islands by Governor Pinkham, may have a voice in the selection.

Whether or not Wood will oppose the action of the board remains to be seen. Some months ago he offered to resign in the interests of harmony, but at that time the committee refused to accept the resignation, and so advised him. Later an attack upon Wood's personal integrity in the matter of handling the funds of the committee was begun, and it is understood that Mr. Wood thereupon announced that he would not resign. As he holds a contract for three years with the promotion committee there may be rocks ahead for the body, in case he puts up a fight. The committee at its Tuesday meeting, after voting to depose Wood as secretary, appointed him San Francisco agent until December, at \$250 per month salary.
